

Genoa Homecoming – Roaring 20s! May 28th – May 30th, 2020

Sponsored by Genoa Chamber of Commerce

The Homecoming Committee is once again busy planning this year's annual Homecoming Celebration to be held from Thursday May 28th – Saturday May 30th. Our goal, as always, is to provide wholesome family entertainment, encourage togetherness, patriotism, and good old-fashioned fun.

This year our Homecoming Committee has chosen The Roaring 20s as our theme. We will be reenacting themes from a century ago. Festivities will begin Thursday evening with amusement rides for kids and the beer tent for adults. On Friday, we will have our annual Grand Parade, which will include high school bands, floats and area organizations. After the parade, amusement rides will be running, cheese curds will be frying and refreshments will be flowing in the beer tent with live music provided by "Haywire".

Saturday's activities include a 5k Run, garden tractor pull, home run derbies, corn hole tournament among other activities scattered around our beautiful Veteran's Park. "The jUNK" will be rocking the beer tent throughout the evening and at dusk, Pyrotecnico will once again dazzle our eyes with their spectacular fireworks display.

As you might imagine, sponsoring an event of this size is quite expensive. We are requesting donations to help us put on this special event for our Village. We understand that this event can only take place with the generous support of our community. Your support is greatly appreciated and we look forward to continuing the great Genoa tradition that is the Genoa Homecoming.

Genoa Homecoming Committee

Brian Huston, Chairman
Enclosure

Amanda Suckle, Parade Chair
